### Interior

The seven-passenger interior features a four-place center club configuration and two seats located aft facing forward. All seating is completed in Light Beige leather. The aft lavatory is fully enclosed with dual pocket doors and features a belted seat for additional passenger versatility. Cabin amenities include a large forward refreshment center, dual executive tables, and compact fold-out tray tables for the rear seats. All cabinetry is completed in a dark veneer, complemented with brushed aluminum hardware. A B&D cabin information display system includes moving maps and flight data that is displayed on a 8.5" LCD video monitor located on the forward left-hand bulkhead. Cabin electrical outlets provide power for laptops, mobile devices, etc. Communication includes Gogo AVANCE L3 Wi-Fi for seamless in-flight connectivity and an Aircell ST-3100 Iridium satellite phone with one handset in the main cabin and one handset in the cockpit. Interior refurbishment including woodwork completed by Elliott Aviation in 2014.
